MAN PURE DIESEL®

MAN TGL 7.150

Triple Choice: Working in harmony with YOU & YOUR business

Triple Choice from MAN Financial Services (MFS) is an innovative method of vehicle funding that offers both simplicity and choice.

This highly competitive product has been specifically designed with you - our customer - in mind. Triple Choice from MFS offers three important choices at the end of your agreed contract term.

Your 3 available Triple Choice options are:

1. **Pay the guaranteed future value**, enables you to obtain total ownership of the vehicle
2. **Extend the contract term**, by paying additional rentals - until the guaranteed future value has been amortised
3. **Return the vehicle to MFS**, removes you from any further liability (providing the vehicle meets our standard return conditions policy levels)

*Subject to credit approval and terms and conditions. Business users only.

Contract Hire: Cost effective vehicle operations, without ownership

Contract Hire provides a system where you can simply hire the use of the truck for a predetermined period - against a similarly predetermined maximum anticipated mileage.

You and your company are never required to own the vehicle during the contract period, and the agreed MFS Contract Hire monthly rental fee for the truck's use is fixed for the duration of the contract.

To find out more about these attractive MAN TGL Euro 5 Offers, simply contact your local MAN sales executive on: 0800 121 6370

*Subject to credit approval and terms and conditions. Business users only.
